South Terrace Progress Report Brinshore Development, L.L.C. Waco Housing Authority Board Meeting September 14, 2023

Issues Addressed this Month:

- Liberty Mutual Master Agreement
- Construction Progress
- Unit Delivery Schedule

Liberty Mutual Master Agreement

In order to continue work at the South Terrace project and finish the construction project, we are working with Liberty Mutual, the Payment and Performance Bond Surety to take over the construction as the General Contractor. Liberty Mutual has sent a draft of the Master Agreement for review, and we have submitted comments to them to make changes to the document. In the meantime, Liberty Mutual has affirmed JMichaels to complete the work on the sidewalks and the sewer laterals, so this work should begin as soon at they can remobilize. Once we have an agreement on the language in this document, the remainder of the work will be able to move forward. The ideas is for Liberty Mutual to affirm as many of the subcontractor agreements as possible to keep the job moving with the subcontractors who are familiar with the project. The hope is that work will begin again in September.

If all goes as planned, Liberty Mutual will cover the payments to subcontractors that were supposed to be paid by J4, and we will use our additional resources raised from the tax exempt bond increase to fund the work remaining. We hope that all of the work can be completed no later than the end of March 2024.

Construction Progress

56 units remain to be completed. No construction has taken place in this period.

TOTAL UNIT DELIVERY COUNT TO DATE - 194.

• Units under GC Possession that can be completed – 56.

- Total units under GC Possession 24.
- Units under GC Possession that can be completed 24.

SCHEDULE UPDATE

- 1. Sanity sewer replacement % completion- 40%
- 2. Sidewalks % completion-48%

CHALLENGES

- 1. Getting a Master Agreement approved with Liberty Mutual
- 2. Getting all subcontractor agreements ratified
- 3. Getting all subcontractors remobilized

Unit Delivery Schedule

The management team has been slow but steady with processing applications. They are nearing their goal of filling all available units and focusing on pre-leasing all that remain. Project is just over 75% occupied.

- 194 units have been rehabbed to date. 188 rehabbed units are currently occupied.
- There are 7 vacant rehabbed units, four of which have applications pending approval and move in.
- Management is processing 17 additional applicants for future move in once the units have completed rehab.

• WHA and management have continued to work through the applications that they have on hand until construction recommences and a completion date is estimated.

MEMORANDUM

TO: Gloria Dancer, VP of Operations Milet Hopping, President/CEO

FROM: Kaitlin Dragoo, Procurement-Contract Compliance Officer

DATE: August 28, 2023

SUBJECT: RFP for Real Estate Developer

The Modernization/ Procurement Department solicited bids in accordance with procurement guidelines from qualified real estate developers for a development partner.

Newspaper advertisements for this project ran in the Waco Tribune Herald on March 12 & 19, 2023. One response was received, which is not competitive, so the RFP was reissued.

The RFP was issued for a second time with advertisements running in the Waco Tribune Herald again. In addition to the advertisement, seventy-five (75) real estate developers were contacted by email notifying them of this project. Seven (7) compliant proposals were received by the deadline of 2:00 p. m. on June 7, 2023. An evaluation team of 5 people was chosen, and each proposal was evaluated independently. The scores from each evaluator for each proposal were added and averaged to come up with a ranking for each proposer. McCormack, Baron, Salazar was the top scorer with 92 points. Knight Development was the second highest scorer with 89 points.

The decision was made to have these two developers give a presentation. There were 6 questions asked during each presentation, and 4 evaluators scored each question independently. McCormack, Baron, Salazar's presentation scored a 96. This score combined with the score of their original presentation is 187. Knight Development's presentation scored 85. This score combined with the score of their original presentation is 174.

McCormack, Baron, Salazar was the top scorer in both the initial proposal and the presentation. It is my recommendation that this contract be awarded to McCormack, Baron, Salazar.

Please review and advise.

RESOLUTION NO. 017 OF WACO PUBLIC FACILITY CORPORATION II

Resolution Declaring Intent to Issue Bonds to Provide Financing for a Multifamily Residential Rental Development for Persons of Low and Moderate Income (Shady Acres Cottages); Prescribing Certain Terms and Conditions of such Bonds; Authorizing the Filing of an Application for Allocation of Private Activity Bonds with the Texas Bond Review Board; and Containing Other Provisions Relating to the Subject

WHEREAS, the Board of Commissioners of the Housing Authority of the City of Waco (the "**Unit**") has, pursuant to the Public Facility Corporation Act, Chapter 303, Texas Local Government Code, as amended (the "**Act**"), approved and created the Waco Public Facility Corporation II, a nonprofit public facility corporation (the "**Issuer**");

WHEREAS, on September 22, 2005, the Issuer's Certificate of Formation was filed with the Secretary of State of the State of Texas;

WHEREAS, the Issuer, on behalf of the Unit is empowered to issue bonds to finance, refinance, or provide one or more public facilities, as such term is defined in the Act, which projects will be within the Unit's boundaries, including Waco, Texas;

WHEREAS, Winterhawk LP, a Texas limited partnership, or such other entity as the sole member of the general partner of the User designates (the "User"), has requested that the Issuer finance an affordable multifamily housing project to be located at approximately 6900 Airport Road, Waco, Texas 76708 (the "**Project**"), and further that the Issuer adopt this Resolution with respect to the acquisition and construction of the Project;

WHEREAS, the User has advised the Issuer that a contributing factor which would further induce the User to proceed with providing for the acquisition and construction of the Project would be a commitment and agreement by the Issuer to issue revenue bonds pursuant to the Act (the "**Bonds**") to finance and pay for the Project;

WHEREAS, in view of a shortage of decent, safe and sanitary housing for persons and families of low income at prices or rentals that they can afford, it is considered essential that construction of the Project be completed at the earliest practicable date, but at the same time, the User wishes to begin construction of the Project after satisfactory assurances from the Issuer, subject to the conditions set forth herein, that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the costs of the Project will be made available to finance the Project; and

WHEREAS, the Issuer finds, intends, and declares that this Resolution shall constitute its official action, subject to the conditions set forth herein, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User not to exceed the maximum aggregate

principal amount up to \$20,000,000 for tax-exempt obligations and to expend the proceeds thereof to acquire, construct, and install the Project and to pay all expenses and costs of the Issuer in connection with the issuance of the Bonds; and

WHEREAS, in order to finance and pay for the Project through the issuance of revenue bonds, the interest on which is excludable from the gross income of the holders thereof under the Internal Revenue Code of 1986, as amended (the "**Code**"), the Issuer must submit an Application for Allocation of Private Activity Bonds or an Application for Carryforward for Private Activity Bonds (the "**Application**") to the Texas Bond Review Board (the "**TBRB**") for a reservation of state ceiling available to "**private activity bonds**" (as defined in the Code) for a calendar year;

THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE WACO PUBLIC FACILITY CORPORATION II THAT:

Section 1. Subject to the terms hereof, the Issuer agrees that it will:

(a) Issue the Bonds, and if the User and the Issuer agree, other evidences of indebtedness providing temporary financing of the Project, which will be issued after the date hereof and be refunded by the Bonds pursuant to the Act, or any other Texas legislation heretofore or hereafter enacted which may provide a suitable method of financing in addition to or in substitution for the Act.

(b) Cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefor satisfactory to the User and the Issuer can be made, the Issuer will take such action and authorize the execution of such documents and will take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary or desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the "**Contracts**"), providing among other things for payment of the principal of, interest on, redemption premiums, paying agents' charges, and Trustee's fees, if any, on the Bonds; payment of fees and charges of the Issuer or the Unit; acquisition, construction, and improvement of the Project or reimbursement of Project costs; and use, operation, and maintenance of the Project (and the execution of any appropriate and necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be mutually satisfactory to the Issuer, the Unit, and the User.

(c) If the proceeds from the sale of the Bonds are insufficient, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition and construction of the Project, as requested by the User and within then applicable limitations.

(d) Take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas, the Unit, nor any political issuer, subdivision, or agency of the State of Texas shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State of Texas, the Unit, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

The obligation of the Issuer to issue the Bonds is specifically subject to satisfaction of each of the following conditions:

(i) the receipt of a ruling from the Internal Revenue Service or an opinion from nationally recognized bond counsel, substantially to the effect that the interest on the Bonds is excludable from gross income tax purposes under existing law;

(ii) approval of the Bonds by all other governmental agencies required to approve the Bonds including, but not limited to, approval of the Bonds by the City Council or Mayor of the City of Waco, Texas, the Attorney General of the State of Texas and any other applicable governmental authority; and

(iii) any other conditions reasonably imposed by the Issuer.

Section 2. The Issuer hereby authorizes the submission of an Application to the TBRB for a reservation of the state ceiling for "private activity bonds" for program year 2024 (or other available bond funds administered by the TBRB) and each subsequent calendar year at the User's request to finance the Project. Any officer of the Issuer is hereby authorized to execute and submit an Application to the TBRB in such form as may be approved by the TBRB for such purpose.

Section 3. It is understood by the Issuer and the Unit, and the User has represented to the Issuer, that in consideration of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

(a) Prior to the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself to pay to the Issuer (or to a Trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums, paying agents' fees, and Trustee's fees, if any, on the Bonds, as and when the same become due and payable, with such contract to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User.

(b) The User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times, indemnify and hold harmless the Issuer against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, operation, use, occupancy, maintenance, or ownership of the Project.

(c) The User will provide to the Issuer all information required to be submitted to the TBRB and any other governmental agencies for approval of the Project or the Bonds and will execute all necessary documents in connection therewith.

Section 4. The Issuer finds, determines, recites and declares that the issuance of the Bonds to provide financing for the Project will promote the public purposes set forth in Section 303 of the Act, including, without limitation, assisting persons of low and moderate income to obtain decent, safe and sanitary housing at rentals they can afford.

Section 5. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor anyone claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any of its wholly-owned subsidiaries; (iii) any "related person" as defined in Section 144(a)(3) of the Code; or (iv) any legal successor thereto, respectively, subject to approval of the Issuer's bond counsel and, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 7. This Resolution is affirmative of official action taken by the Issuer towards the issuance of the Bonds within the meaning of Sections 1.1038(a)(5)(i) and (ii) and 1.150-2, Title 26, Code of Federal Regulations, as amended, and applicable rulings of the Internal Revenue Service thereunder, to the end that Bonds issued to reimburse Project costs may qualify for the

exemption provisions of Section 142(a)(7) of the Code and that the interest on the Bonds will therefore be excludable from the gross incomes of the holders thereof under the provisions of Section 103(a)(1) of the Code.

Section 8. The Issuer hereby authorizes the filing and any resubmission of an Application with the TBRB, and that Coats Rose, P.C. be designated as the authorized representative of the Issuer for purposes of an Application ("**Bond Counsel**"). Any officer of the Issuer is hereby authorized and directed to execute an Application on behalf of the Issuer and to take any and all other actions related to such Application or necessary or desirable to carry out the provisions of this Resolution, including any further revisions to this Resolution.

Section 9. Notwithstanding any other provision of this Resolution, the officers of the Issuer are each hereby authorized to make or approve such revisions to this Resolution and in the form of the documents hereby approved, in the opinion of Bond Counsel, as may be necessary or convenient to carry out or assist in carrying out the purposes of this Resolution; and approval of such changes by the Issuer shall be indicated by such officers' execution of the documents.

PASSED this 14th day of September 2023.

ATTEST:
